# Know Us

An extensive experience of 25 years combined with philosophy to serve only the best is what drives our people at Linen Craft. Our Company has evolved from varied experiences to become one of the finest producer of home furnishing made-ups. Through our stringent procurement process and strong supplier base we have developed the best quality of fabrics at most competitive prices.

It is the experience of over 25 years in this industry which has helped us in our quest to achieve perfection in every task that we undertake.

Under the leadership of our Director Mrs. Poonam Pipil, our Production department develops some of the most gorgeous and innovative designs which are exclusively designed as per the requirement of our clients. All the manufacturing processes are performed in house within our facility, giving us a complete control over the quality and costs of our products. Our timely deliveries and flawless products have earned us the reputation of one of the most reliable hospitality associate in the industry.

## Our Mission

Satisfying our customers. We will be the supplier of choice by our customers; the employer of choice by our co-workers and our communities; and the investment of choice by our owners.

## Our Foundation

Traditional values of fairness and integrity. We will be a model of integrity and excellence for business and industry. Team work is our way of life.

## Our Vision

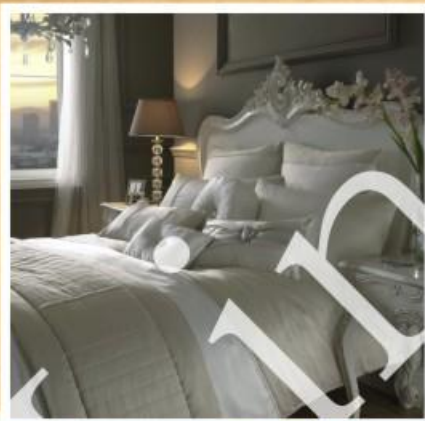

Ongoing capital investment in world-class capabilities for today's and tomorrow's success. We must be financially successful to prosper as co-workers and as a corporation. We believe in balanced growth and strongly urge our customers and suppliers to form market partnership programs. We want to be viewed as fair, tough, and somewhat unpredictable by our competitors. We take pride in our profit making performance and return on assets employed.
